## DISHES DESIGNED TO DELIGHT

Gracias Madre Newport Beach features organic, plant-based cuisine inspired by the kitchens of Mexico. Our organic, plant-based menus were created by executive chef Justin Haefler and sourced from local ingredients. We offer custom prix-fixe menus for seated events and passed bites for reception-style gatherings.

## MAKE MADRE YOUR OWN

Whether you're throwing a wedding reception, baby shower, networking event or birthday party, our customizable event menus and specialty cocktails will ensure your guests won't soon forget. Decorations are welcome and all furniture is moveable.

A restaurant interior featuring a long wooden table set for a meal. The table is set with white plates, napkins, glasses, and silverware. There are several bouquets of white flowers in vases on the table. In the background, a white brick wall is visible, with a large mirror reflecting the chandelier and the table. A chandelier hangs from the ceiling, and two wall sconces are mounted on the brick wall. The overall atmosphere is warm and elegant.
